

# Cactus Foothills Little League

www.cactusfoothills.com

## Umpires Wanted!

**Open to ages 13 and up, including adults. Register by December 31st!**

Scan the QR code to the right, or visit: <https://tinyurl.com/cfllumps>

### Love baseball and softball? Want to stay close to the game?

Officiating baseball and softball is a great way to stay involved in the game while serving the local community by helping create a safe, fun experience for our youth athletes and coaches. You'll also stay active and fit while earning some extra money or fulfilling community service hours.

### Is it for me?

Umpiring offers a physical and mental challenge and rewards those with high moral character, sound judgment, and a keen desire to help develop and educate the next generation of players.

**Visit the FAQs at [tinyurl.com/cfllumpfaqs](https://tinyurl.com/cfllumpfaqs) for more details.**

We'll provide you with the rules books, clinics, and access to League-owned gear. When you complete the field clinic and pass the rules exam, you'll also receive a unique CFLL umpire hat.

### I'm in. How do I get started?

Register by December 31st at the link above or by scanning the QR code. Once the registration is completed, we'll send you the rules books, a link to the CFLL guidebook, and a schedule of events in preparation for the upcoming Little League season starting February 24th, 2020.
